

Part 3: Advice, Conditions and Manual for Use of K CONNECT INTERTRADE

Advice, Conditions and Manual for General Service Use

1. The Applicant acknowledges that each service under this Application shall be in conformity to formats, regulations and the Bank's directives/announcements, including any documents concerning the use of the particular service, which shall be regarded as part of this Application. The Applicant therefore agrees to comply with the conditions for the use of each service, of which the Applicant is notified or which are announced on the Bank premises; these conditions shall be binding upon the Applicant in all respects.
2. The Applicant agrees to authorize the Bank to use the Applicant's deposit account and/or any other types of accounts specified in this Application with existing services and/or those to be offered in the future, without any exception. If the accounts used for the services belong to the other persons specified by the Applicant, the Applicant shall instruct the account owner to sign a letter of consent per the form as determined by the Bank to authorize the Applicant to use the account with the services under this Application. The Applicant authorizes the Bank to debit the Applicant's deposit account and/or the accounts of the persons specified by the Applicant under the following conditions.
 - 2.1 The Applicant agrees, and/or shall instruct the other persons specified by the Applicant, to give consent to the Bank to debit the Applicant's deposit account held with the Bank. The Applicant shall not revoke such consent and shall instruct the other persons specified by the Applicant to do the same until this Application is terminated.
 - 2.2 The Applicant agrees, and/or shall instruct the other persons specified by the Applicant, to maintain the account balance equal to the amount to be debited by the Bank.

In case the other persons specified by the Applicant revoke their consent for account debit, the Bank shall not debit such account. In such case, it shall be the Applicant's responsibility to contact said persons.
 - 2.3 After receiving the revocation per the preceding paragraph but the Bank is unable to revise the data in the Bank's system, for any reason, except where the inability is caused by the Bank's mistake and/or delay, and the Bank has received any instruction from the Applicant and has performed any action whatsoever with the deposit account of said person, the Applicant agrees that such action of the Bank is correct, and the Applicant shall be directly responsible for the account owner.
3. In case the Applicant is required to provide the Bank the information in advance of the use of a service, the Applicant agrees to take the following actions:
 - 3.1 The Applicant agrees to send the Bank instructions and related information for executing transactions under the particular service before the date the transaction is conducted via the following methods:
 - (1) By hand (hard copy documents); or
 - (2) Via electronic channel (in case where the agreement of such service requires that the information be sent via email/K CONNECT INTERTRADE); or
 - (3) By any other means as agreed upon with the Bank.

3.2 Should the Bank receive the instruction and related information after the period as determined by the Bank, the Applicant shall consider that the instruction and information is delivered to the Bank on the next business day. The Applicant acknowledges that the Bank has the right to either proceed or not proceed in accordance with the instruction and the information received at such time. If the Bank does proceed, it shall be deemed that the Bank receives the instruction and information on the next business day.

In case the Bank is unable to execute the transaction as instructed by the Applicant, whether because the provided information is incorrect or for any other reason, the Bank shall deposit the amount already debited back into relevant account within 3 (three) business days from the date the Bank decides to not execute the transaction.

3.3 The Applicant certifies that any documents, information, and any details provided to the Bank in any form, either by the Applicant or by the person assigned by the Applicant, are true and correct. Should an error occur in executing any transaction, the Applicant agrees to claim such amount directly from the recipient. The Applicant agrees to renounce any right to demand the Bank to debit or withdraw money from the recipient's deposit account for reimbursement to the Applicant. The Applicant affirms that the Applicant shall not take any action that would cause the Bank to become involved in any dispute between the Applicant and the recipient. Any disputes and/or claims that the Applicant may have with the recipient shall be pursued by the Applicant directly with that recipient. If said error has caused the Bank to make payment on behalf of the Applicant, the Applicant agrees to fully reimburse the Bank.

In case the Applicant found that any document and/or evidence and/or detail related to the transaction submitted by the Applicant to the Bank contains errors or defects which the Applicant wishes to correct, the Applicant shall notify the Bank of such errors or defects in writing before the information has been entered into the Bank's system. In the event that the Applicant notifies the Bank of such errors after the original information has been entered into the Bank's system, the Applicant acknowledges that the Bank has the right to decide whether or not to correct such information as notified by the Applicant.

4. In cases where a service is provided only via electronic channels, or where the Applicant intends to access the service via electronic channels with IT links between the Applicant's computer and the Bank's computers, obviating the need for traveling to the Bank, whether either through K CONNECT INTERTRADE or any system/or service under any other name, the Applicant agrees to the terms and conditions for services via electronic channels.

When applying for service via an electronic channel, the Applicant shall propose three (3) Organization IDs, prioritized from most to least preferred. Upon approval, the Bank shall inform the Applicant in writing of the Organization ID and password.

After receiving a password from the Bank, the Applicant will be required to reset the password before logging in to the system to conduct transactions with the Bank. The Applicant shall be responsible for safeguarding the Organization ID and password, and for keeping them confidential. In case of a lost or forgotten Organization ID or password, the Applicant shall inform the Bank within seven (7) days of the incident.

5. In case of force majeure or any other cause that prevents the Bank from providing the services under this Application, the Applicant authorizes the Bank to take action as it deems appropriate in order to deliver the services under this Application. The Applicant agrees to cooperate with the Bank to the fullest extent of the Applicant's ability and in every

way for the convenience of the Applicant in using the services under this Application. In case of errors and/or defects in the service system whether arising from the computer system and/or electrical system and/or force majeure and/or any other reasons beyond the Bank's control, the Bank shall not be held responsible for any errors and/or defects and/or losses incurred and/or that may incur in all respects.

6. The Applicant agrees to pay the Bank service fees within the period and at rates determined by the Bank, and to be responsible for payments of related taxes, duties, and other expenses (if any), including amounts that the Applicant must reimburse the Bank. The Applicant agrees, consents, and authorizes the Bank to deduct the funds in the deposit account of any type which the Applicant holds at the Bank and/or in the possession of the Bank and/or under the authorization of the Bank, whether KBank has obtained such funds and/or such possession and/or such authorization in whatever method, in order to repay fees, taxes, duties and other expenses and/or amounts that the Applicant must return to the Bank immediately without any prior notice. The Bank shall issue proof of account debit to the Applicant. If the Bank has to make advance payments for the aforementioned fees, taxes and/or other expenses on behalf of the Applicant, the Applicant agrees to repay those fees, taxes and/or other expenses to the Bank immediately.
7. If the Bank is unable to debit the Applicant's account or the account of the other person specified by the Applicant for payment of service fees, regardless of service type, due to insufficient balance in the account or for whatever reason, the Applicant shall not be able to use the service, either wholly or partly, until the Applicant makes fee payment and/or the Bank is able to fully deduct funds for fee payment, including any amount from the Applicant's deposit account or the account of the other persons specified by the Applicant.
8. Change in conditions of service usage
 - 8.1 If the change in conditions of service usage causes the Applicant to incur more burden or risk, such a change shall require prior consent from the Applicant.
 - 8.2 If other conditions are to be changed, the Applicant agrees to authorize the Bank to make the change as it deems appropriate. If the change affects the Applicant's use of the service (such as adjustment of service fees to reflect rising costs, change to service channels, change to due date), the Bank shall expressly communicate, or give notice of, material information of the change to the Applicant at least 30 days in advance or within the period required by law.
 - 8.3 If KBank is required by law and/or rules and regulations to proceed with change in other specific conditions, the Applicant agrees to authorize KBank to act in compliance with the law and/or rules and regulations.
9. Termination of service and effect of termination
 - 9.1 The Applicant agrees that the Bank has the right to suspend and/or terminate the service, whether in whole or in part, or for any particular Applicant, at any time, with prior notice given by the Bank. Regarding the following incidents, the Applicant agrees and accepts that the Bank may undertake said action immediately without prior notice. The Applicant also agrees that the Bank shall not be responsible for any losses incurred from operations per this stipulation.
 - 9.1.1 Any information, details, representation or confirmation provided by the Applicant is untrue, inaccurate, or misleading in any material respect.
 - 9.1.2 There is sufficient factual evidence to believe that the information and/or any details given by the Applicant to the Bank or the Applicant's use of the service may (i) cause negative impacts; (ii) affect

the rights of the Bank or of a third party; (iii) be contrary to applicable law or accepted public morality; (vi) cause the Bank to violate applicable laws and/or regulations; or (v) affect the Bank's image.

9.1.3 The Applicant has breached any terms and conditions of the service usage, including a failure to pay fees/service charges/expenses/penalty fees/taxes.

9.1.4 Any other event occurs or may occur which convinces the Bank that it has an effect on business operations or debt servicing ability of the Applicant, including but not limited to the fact that the Applicant has ceased operations with its license revoked, or the Applicant's business is suspended or liquidated.

9.1.5 The Bank cannot deduct funds to undertake the operations under the Application and the conditions for use of the service.

9.1.6 The Bank must comply with applicable laws, rules and regulations.

9.2 In case the Applicant wishes to terminate any or all of the services under the conditions for the use of this service, the Applicant shall inform the Bank in writing at least 30 (thirty) days in advance via the Bank channels, and shall follow the procedures as determined by the Bank. The Bank shall proceed to terminate the service as desired by the Applicant within 30 (thirty) days from the date the Bank fully received written notification and related documents to terminate the service from the Applicant, and the termination will be effective after the Bank informs the Applicant.

9.3 The termination of the conditions for the use of this service, for whatever reason, shall not abrogate the Applicant's obligations set forth herein until the Applicant completely fulfills its obligations.

The Applicant shall be informed of the results within seven (7) days from the date that the Bank discovers any errors. The Bank reserves the right to disregard any request that does not comply with laws, rules and regulations, court order, other competent authorities and/or the Bank of Thailand. In case of errors for which the Bank must give compensation to the Applicant, the Bank shall credit such amounts to the Applicant's account within seven (7) days from the date said error is found.

10.3 The Applicant agrees that this service and service channels are provided by the Bank for the convenience of the Applicant. In case of errors, delays, defects and/or losses incurred to the Applicant and/or the Applicant's customers, which do not arise from fraud or gross negligence of the Bank, and are not otherwise specifically stated in the agreement, the Applicant shall not make a claim for any damages or compensations from the Bank. However, the Bank agrees to be liable for any losses in case the Bank fails to comply with the terms and conditions herein (except where such non-compliance is due to insufficient funds in the Applicant's account, and/or the Applicant having no credit line with the Bank or the cancellation thereof, and/or funds transfers resulting in an O/D account exceeding the approved limit, and/or the Applicant being in the process of litigation, and/or the Applicant having been informed of difficulties arising before or during a funds transfer, and/or the Applicant's failure to comply with the terms and conditions as agreed with the Bank, and/or force majeure or any other cause which is not KBank's fault), or the Bank does not follow the instruction to cancel the operation received from the Applicant per the method and conditions of the agreement, or the Bank has yet to deliver funds transfer tools (such as a card, password or any other tools specified as funds transfer tools for this service) to the Applicant, but a fraudulent transaction has occurred as a result of KBank's fraud or gross negligence.
